Make a Difference

National Traffic Incident Response Awareness Week 2020 is a chance for all responder communities to individually and jointly make a difference by teaching each other, and the motoring public, about our common goals and responsibility to one another.

In the past three years, state DOTs, Turnpike Authorities, and responder agencies and organizations marked Incident Response Week with:

- Targeted SMS messaging
- Ride-along opportunities
- Video sharing
- Social media campaigns
- Open houses
- Special exercise activities
- Events marking the lives wasted in preventable crashes

Also, please consider an online training program from Autosafe.com, [Highway Institute \(HIW\) or Responder Safety Learning Network at go.safelife.com/responder/](http://Highway Institute (HIW) or Responder Safety Learning Network at go.safelife.com/responder/) The EVMA TIM training site has more information as well.

What Are You Putting Together?

What is your police department doing? Are you working with your local fire department and emergency medical services (EMS)? Maybe your 911 center is planning an event. We know there are loving companies and associations looking up with partners to call attention to their shared interest in your AAA office or

The TIM Network

TIM Network Has The Resources You Need

Visit www.tim-network.org for resources and ideas on:

- Opportunities for media to ride with responders or safety patrols
- Tours of your fire house, police station, EMS garage, or tow truck yard
- Set a training goal and conduct multiple TIM Response Training courses
- Distribute outreach materials in every venue you can think of

Please tell us what you plan and share your success stories after the event by emailing Chuck York at ccyork@tim-network.com

Millions of responders are working on the roadway at traffic incident scenes, 24/7/365. Millions more motorists are passing near or through that TIM work zone. Slow down. Move Over. Be Safe.

Join the monthly planning calls! Visit: transportation.org/ntiraw for more details.
