Traffic Incident Management Training

- TIM Training
 - Instructor-led facilitation
 - Use humor if possible
 - Good Instructors – Committed and available
 - Location: Know your state & time of year events
 - Planting season/Harvest
 - Major events that will impact responders
 - Weather

Scheduling TIM Training

- Date/Time Flexibility
- Training records - Mapping the state
- Coordination - Be the central contact for TIM Training
- Reaching out to get buy in:
 - Face to face
 - Word of mouth
 - Email
 - Phone calls
 - Expo Table (Annual Tow Show & Fire School)
 - Free Stuff...

Traffic Kits

- If a public agency has 60 percent of their personnel attend the 4 hour TIM Class, they will receive a Free Traffic Device kit.

A step beyond the initial training...

- TIM Media Training
 - 2 hour session
 - Safety – safety vests!!!
 - Where to get the camera shot without being in the way

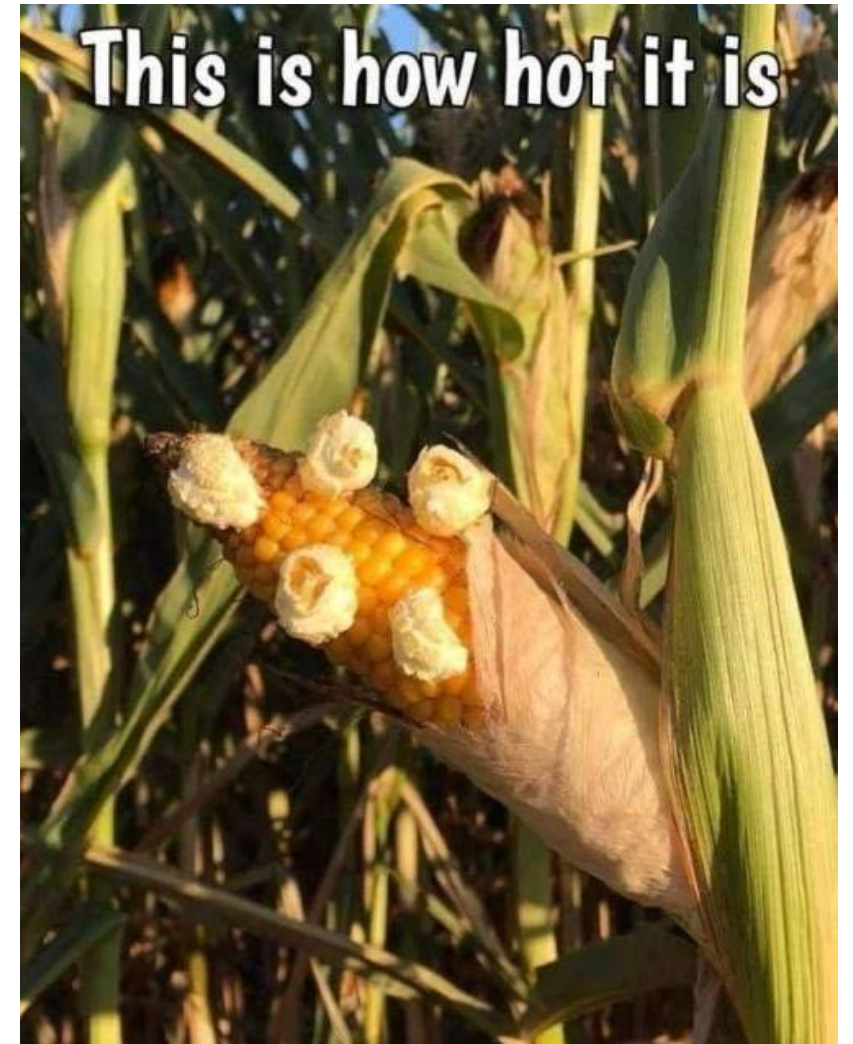

Exercises

- TIM Exercises
 - Mixed in for refresher training
 - Great opportunity to work with our Towing partners
 - Validates training and plans
 - Identifies areas for improvement

Nebraska Traffic

- Interstate 80 (East/West)
- Winter
 - Snow/Blizzards
- Spring
 - Flooding
 - Tornado season starts
- Summer
 - College World Series - Omaha
 - Construction
- Fall
 - Husker Football traffic
 - Harvest

TIM Working Groups

- Three TIM Working Groups currently:
 - Omaha/Council Bluffs Metro
 - SE Nebraska (includes Lincoln)
 - West Central (West I-80 Corridor)
 - Next: Central NE Group

Thank you!
