

## Session 3: Performance Measurement/Management

- Do you have any formal agreements with surrounding states on sharing performance measures or data? **KC-Scout/Kansas and Missouri**
- Which of the following performance areas does your agency currently measure? Which specific measure(s) are utilized for each area?
  - Travel time reliability (TTR) on Interstate segments **TTI, BTI, PTI**
  - TTR on non-Interstate NHS segments **Yes, Wichita and KC freeways (non-toll).**
  - Peak-hour travel times on Interstate and non-Interstate NHS segments **No, but are considering it.**
  - Truck [commercial vehicle] TTR (TTTR) **No; have with sensor calibration.**
  - Levels of congestion on Interstate segments for general purpose and truck traffic **No**
  - Excessive user delay **No**
